Waterstone Collection™

Unlike any other, the Waterstone Collection captures all the movement and unpredictability of flowing water, in a range of both neutral and vibrant tones. It has unbelievable reflectivity, depth and is as pure as nature.

ABERDEEN™

WATERSTONE COLLECTION™

As lively and bustling as the Scottish city it's named for, Aberdeen is a show-stopper. Oranges, greens and grays are free-flowing and lava-like in this energizing array.

CAMBRIA COORDINATING COLORS

Durham™

Fieldstone™

Variation in the natural stone (quartz) color, pattern, size, shape and shade are inherent and unique characteristics to be expected with this product. This does not affect the product performance in any manner. Color blotches are intended and designed into many colors to enhance the natural beauty. Photographs are from small select cuts from a slab; they do not exhibit all the characteristics of a color and combined with printing limitations are not fully representative of what will be installed.

COLOR COMBINATIONS BY BENJAMIN MOORE

WHY
CHOOSE
CAMBRIA?

MORE STYLES/COLORS/DEPTH

10 REASONS FOR CHOOSING CAMBRIA

1 LEADER IN COLOR INNOVATION

Cambria continues to expand and refine its color palette with innovative products that respond to changing trends and become classics.

Cambria's latest, the Waterstone Collection, captures all the movement and unpredictability of flowing water, in a range of both neutral and vibrant tones. It has unbelievable reflectivity, depth and is as pure as nature.

Cambria continues to expand and evolve the technology limits to give homeowners the eternal beauty of stone colors that once seemed impossible for quartz.

2 100 COLORS, ONE PRICE

Cambria offers a palette of 100 colors, the largest and most exceptional selection of quartz surfaces in the world. All colors and a wide array of edge profiles are offered at the same price!

3 AMERICAN MADE, FAMILY-OWNED

As the only family-owned producer of quartz surfaces in the U.S., Cambria was founded and operates today under the Davis family of businesses, whose strength in manufacturing for 60 years is built on solid values – integrity, quality, innovation and commitment to excellence.

4 NOT IN THE BIG BOX

You won't find Cambria in the large chain retail stores. We only work with trusted independent dealers providing the highest quality service, tailored specifically to you.

5 PREMIUM PERFORMANCE

Cambria is a natural stone surface that is elegant and practical. It is maintenance free and requires no sealing, polishing or reconditioning...ever.

6 QUARTZ, THE NATURAL CHOICE

Stronger than granite, quartz is one of the most abundant and durable minerals found in nature. Cambria is 93% pure quartz.

7 LIFETIME LIMITED WARRANTY

The quality and integrity of Cambria is unmatched. Our company stands behind everything we do for life. Feel the confidence and freedom of living with your Cambria, knowing we stand firmly behind every product we make and every customer we earn.

SHARPHAM™
Waterstone Collection™

8 A HEALTHY KITCHEN

Cambria is nonporous and nonabsorbent. You never have to worry about staining or the potential for bacterial growth. NSF certified, Cambria is safe for use as a food preparation surface. Granite is porous and subject to absorption and staining if not maintained with sealers, conditioners and wax.

9 ENVIRONMENTAL BEST

Cambria has a lower carbon footprint when compared to other quartz products that are largely produced in the Middle East, Asia and Europe that require greater transportation and carbon resources en route to market. Cambria also recycles and recovers 100% of the water used in processing. GREENGUARD certified, Cambria is a low emitting product for indoor air quality and suitable for school environments. Air Quality Sciences, Inc. has also tested Cambria thoroughly for radon and confirmed that Cambria surfaces have no harmful emissions of any kind.

10 EXCEEDING EXPECTATIONS

Cambria's reputation is built on a long standing commitment to service, exceptional craftsmanship and beauty. You can be confident you're choosing a company and a product that lives up to its performance promises.

OUR ENVIRONMENTAL BEST

At Cambria, we're committed to long term environmental responsibility

C A M B R I A[®]

Managing and minimizing our impact on the environment in both our product offerings and our daily operations is an important part of our business. As the only producer of natural quartz surfaces in the United States, Cambria offers distinct advantages in the areas of environmental health, safety and sustainability.

In a nutshell, we want our product to have a big impact on our customers . . . not our environment.

Responsible Business Practices

100% of the water in our production plants is recycled.

Recycled water from an on-site storm drainage pond is used to irrigate the grounds of the manufacturing plant.

The Department of Energy (DOE) continually works with Cambria to implement energy saving procedures at Cambria facilities.

Fleet vehicles include hybrids.

A-frame shipping crates that transport slabs and fabricated product are recycled and refurbished.

All diamond-metal tooling is retooled and re-used.

Scrap material is collected and used as road base material on local construction projects.

All computer equipment and batteries are recycled after use.

General office waste is sent for recycling (paper, plastics, ink cartridges, etc.).

Collateral & sales materials are printed on Forest Stewardship Council (FSC) certified paper.

Environmental best practices are promoted through training programs at Cambria University.

Natural Product Attributes

Natural quartz; one of the most abundant minerals on earth is twice as strong as granite lasting far longer than other countertop materials.

Nonporous and nonabsorbent resisting stains such as coffee, tea and wine.

The only quartz surface produced in the USA, resulting in lower transportation requirements. All other quartz surfacing products are manufactured primarily in the Middle East, Asia and Europe.

GREENGUARD For Children and SchoolsSM certified.

GREENGUARD Indoor Air Quality Certified[®].

Contributes to projects achieving LEED points.

Certified by NSF International (Standard 51-Food Equipment Materials) as safe for use as a food preparation surface.

Radon free.

Cambria Environmental Quartz Mining Practices

Not only does Cambria purchase its quartz primarily in North American mines, we also work with our mining partners to ensure that every step is taken to fully restore the quarry site after quartz extraction. By stabilizing the slopes of waste rock piles and reclaiming the flat surface with soil and vegetation, the site is preserved in its natural surroundings. Cambria takes pride in knowing that this commitment to environmental restoration leaves behind a large fresh-water lake teeming with fish and surrounded by the native flora and fauna.

Cambria Lifetime Limited Warranty

C A M B R I A®

CAMBRIA™ LIFETIME LIMITED WARRANTY

Cambria provides a Lifetime Limited Warranty to the original owners of the installed Cambria™ (the "Product") that the Product will be free from manufacturing defects for so long as the original owner owns the Product. Although the Product is carefully inspected prior to shipping or delivery, it is the responsibility of the Owner to thoroughly inspect the Product upon its receipt. Any damage to the Product thereafter is the responsibility of the Owner. Final inspection and approval of the installation is also the Owner's sole responsibility.

This Limited Warranty shall apply only where Product is properly fabricated and installed in the United States of America or Canada for residential or commercial interior use only by Cambria approved Installers and Fabricators and only where Product, including floor tile, is properly installed for residential or commercial interior use only, subject to the exclusions set forth below; is used for its intended purpose, and is maintained and used strictly in accordance with the Cambria Product Care and Maintenance Information, which are available within this Limited Warranty document and on the Cambria website at CambriaUSA.com.

GENERAL TERMS AND CONDITIONS OF THIS LIMITED WARRANTY

This warranty is Limited. The Owner's sole and exclusive remedy against Cambria shall be at the sole option of Cambria, to repair or replace the defective Product in slab or tile form, depending on the installation, or refund the purchase price.

FURTHER, TO THE EXTENT PERMITTED BY LOCAL LAW, THIS LIMITED WARRANTY IS EXCLUSIVE AND IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR PARTICULAR PURPOSE, OR OTHER WARRANTY OF QUALITY, WHETHER EXPRESS OR IMPLIED, AND ALL OTHER LIABILITIES OR OBLIGATIONS ON THE PART OF CAMBRIA. ANY IMPLIED WARRANTIES WHICH ARE NOT EXCLUDED HEREBY, DUE TO OPERATION OF LAW, ARE LIMITED IN DURATION TO THE DURATION OF THE EXPRESS WARRANTY PROVIDED HEREIN FOR THE PRODUCT WARRANTED.

IN NO CASE WILL CAMBRIA BE LIABLE EITHER IN TORT, CONTRACT OR OTHERWISE, FOR DIRECT, INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE, CONSEQUENTIAL, OR OTHER SIMILAR DAMAGES, INCLUDING BUT NOT LIMITED TO, DAMAGE FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, OR ANY OTHER LOSS, REGARDLESS OF THE CAUSE OF SUCH DAMAGE WHETHER OR NOT CAUSED BY OR RESULTING FROM THE NEGLIGENCE OF CAMBRIA, EVEN IF CAMBRIA HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

This Limited Warranty is the only warranty made by Cambria for Cambria™. No representative, dealer, employee, installer or any other person is authorized to make, modify or change this Limited Warranty or make any other warranty, representation or promise on behalf of Cambria with respect to the Product. No term or condition other than those stated in this Limited Warranty and no agreement or understanding, whether oral or written, in any way purporting to modify or change this Limited Warranty shall be binding upon Cambria, unless made in writing and signed by the President and Chief Executive Officer of Cambria, Martin E. Davis.

EXCLUSIONS

This Limited Warranty shall be null and void unless the Product has been paid for in full.

This Limited Warranty covers only manufacturing defects and DOES NOT apply to Product subjected to damage due to mishandling, abnormal use, misuse or physical or chemical abuse or exposure, direct or sustained heat or cold or sudden or rapid change in temperature or thermal shock, exposure to chemicals, force, pressure or loading applied from a person, utensil or object, including but not limited to cracks and/or chips resulting therefrom.

This Limited Warranty DOES NOT cover damage or effects caused by poor installation or fabrication caused by the installer or fabricator. In addition, improper, insufficient or poorly designed support, cabinets, structures, substrate or sub-floors for countertops, vertical surfaces, or floor tile ARE NOT covered by this Limited Warranty.

Product, including floor tile installed in entry ways, or outdoors, IS NOT covered by this limited warranty. Products that are installed outdoors, in partially covered or sheltered outdoor areas, in entry ways and interior areas subject to traffic flow from the outdoors ARE NOT covered by the limited warranty due to exposure to weather, changing temperatures, sunlight and other conditions because these conditions can damage the Product. Products, including floor tile and vertical surfaces installed in indoor entryways or outdoors can also be damaged by de-icing activities and other chemicals or substances which are tracked onto or which come into contact with the Product.

This Limited Warranty DOES NOT cover Product fabricated and/or installed outside the United States of America or Canada.

This Limited Warranty DOES NOT cover Product installed in applications such as, but not limited to, shower trays or shower pans, steam showers, steam rooms and saunas.

This Limited Warranty DOES NOT apply to Cambria Accents.

This Limited Warranty DOES NOT cover Product installed in moving vehicles including but not limited to, recreational vehicles (RV's) or trailers, aircraft, boats, ships or other watercraft.

This Limited Warranty DOES NOT cover the quality of the installation or damage caused by the installer or fabricator. Installation or fabrication issues must be resolved directly with the point of purchase and are the sole responsibility of the Owner and the point of purchase and NOT of Cambria and ARE NOT covered by this Limited Warranty.

This Limited Warranty DOES NOT cover transportation, freight, tear-out, demolition in any form, disposal and reinstallation, fabrication or associated costs beyond the cost of the Product or its replacement.

Various laws, building and safety codes govern the design, engineering and construction of buildings and installations within them. These vary widely. Cambria assumes no responsibility or obligation with respect to the selection of its Product for the installation or the design, engineering and construction of the installation site.

Cambria IS NOT responsible for damage or injury caused in whole or in part by acts of God, job site conditions, installation, architectural and engineering design, structural movement, acts of vandalism or accidents.

All Limited Warranty claims must be received by Cambria within thirty (30) days after the Owner learns of the facts upon which the warranty claim is based, or such warranty claim shall be deemed waived.

RIGHT OF CAMBRIA TO INSPECT

In order for Cambria to respond under this Limited Warranty, Cambria's authorized agents must be permitted sufficient time and opportunity to inspect the Product, evaluate and respond to any claim.

All decisions regarding the existence of manufacturing defects or affecting this Warranty shall be made by Cambria and shall be final and binding upon the parties.

Cambria Lifetime Limited Warranty

C A M B R I A[®]

CHOICE OF LAW

This Limited Warranty shall be interpreted exclusively under the laws of the State of Minnesota.

EFFECTIVE DATE

This Limited Warranty only applies to Products purchased and installed after August 1, 2008.

REGISTRATION AND SERVICE - GENERAL PROVISIONS

To register for the Limited Warranty you must complete the Limited Warranty Registration and Service Questionnaire by calling 1-866-CAMBRIA (1-866-226-2742) or by going online at CambriaUSA.com.

To make a claim or obtain service under this Limited Warranty, you must call Cambria Customer Care at 1-866-Cambria (1-866-226-2742) or submit your claim in writing to Cambria, 11000 W. 78th St., Suite 220, Eden Prairie, MN 55344 USA, to the attention of Warranty Services.

Please provide the following information:

1. Your name, address and telephone number
2. Description of the Product application for which the claim is made including the color and thickness of the Product
3. Date of Purchase or date of installation, whichever is earlier
4. Name of Retailer, Installer or Fabricator from whom you purchased the Product
5. A description of the claim

A Cambria Customer Care Representative will contact you to follow up on your claim. This Limited Warranty is not transferable and applies only to the original owner of the Product.

INSTALLATION INFORMATION

Cambria tile is Class 1 dimensionally stable tile (per testing by MAPEI and The Tile Council of North America, Inc.). Cambria recommends that the tile be installed following the American National Standard Institute (ANSI) specifications for the Installation of Ceramic Tile (ANSI A108\A118\A136.I-2006). Follow mortar and grout manufacturer's recommendations on the application, use and clean-up of these materials. This information can be sourced at The Tile Council of North America, Inc. website at TileUSA.com. Cambria DOES NOT warrant the installation of tile it sells. The Purchaser and/or installer are responsible for proper inspection before installing, and proper installation of the tile. Additional Product information is in the Cambria Product Care & Maintenance Information below.

CAMBRIA PRODUCT CARE & MAINTENANCE INFORMATION

Maintaining Cambria is easy. Simply wash with a soft cotton cloth and warm water, use a mild soap if desired.

DO NOT expose, in use or otherwise, Cambria to abrasive or strong alkaline or acid or free radicals or oxidizers or the like (whether high, neutral or low pH) cleaners. Various chemicals are corrosive and/or erosive in their ability to attack any structure including Cambria. Be very aware of these potential damages to your surface.

Cambria IS NOT heat proof, chemical proof or fracture proof in any form. Be aware of damaging exposure to these potential damaging acts upon your Cambria.

DO NOT use or expose Cambria to such products including, but not limited to bleach, oven cleaners, Comet®, Soft Scrub®, SOS®, products with pumice, batteries, paint removers, furniture strippers, tarnish or silver cleaners, or the like. DO NOT use abrasive or harsh scrub pads. DO NOT apply any sealers, penetrants or topical treatments to Cambria under any circumstances. Such products will wear off and cause the gloss to appear dull or inconsistent. Contact Cambria for further information by calling 1-866-Cambria or visiting our website at CambriaUSA.com.

1. Cambria is pure natural quartz. Variation in the natural stone (quartz) color, pattern, size, shape and shade are inherent and unique characteristics to be expected with this Product. This does not affect the Product performance in any manner.
2. Color blotches are intended and designed into many colors to enhance the natural beauty. Samples are small select cuts from a slab; they do not exhibit all the characteristics of a color and therefore are not fully representative of what will be installed. Product will not be replaced due to these variations.
3. Cambria is durable and more resistant to surface damage than other stone. However, all stone can be damaged by force and no stone is chip-proof. Objects hitting edges particularly at sinks or dishwashers may cause chips. Though a minor knife slip will dull the knife and not harm Cambria, no stone surface is scratch-proof. Surface markings are more visible on monotone colors than multi-colored surfaces.
4. Cambria is not a seamless Product, seams are visible. Where there are seams the Product pattern and shade can change.
5. Natural stone surfaces can be damaged by sudden and/or rapid change of temperature especially near the edges, as well as direct and/or sustained heating of the top. Cambria may not withstand the direct transfer of heat from pots and pans and other cooking units such as electric frying pans and griddles, and some crockpots or roaster ovens and heat lamps. Therefore, the use of a hot pad or trivet is always recommended to prevent heating the Product.
6. Cambria is not a structural support Product. 2cm and 3cm Cambria thicknesses are for countertops and must be supported. 1cm thicknesses are for surface finishes such as walls, tub and shower surrounds and fireplaces; horizontal applications such as a tub deck must be completely supported as well.
7. Semi-polished finishes (1cm) will not shine and will soil and appear to stain from soiling.
8. Cambria installation is optimized when walls and cabinets are properly prepared for installation. This includes but is not limited to structurally sound, straight, level and square walls and cabinets, lack of which may cause poor installation and poor seam fit, or inconsistent countertop overhang and placement.
9. Cambria installation does not include qualification of any sink or stove cutouts (any cutouts), faucet hole locations or cabinet sizes. Cambria IS NOT responsible for verifying if sinks, stove or other cutout appliances, cabinets and faucet hole locations fit together well, or at all. This is the responsibility of the owner, general contractor, or the like. Cambria will fabricate cutouts per supplied model/template information. Cambria IS NOT responsible for the accuracy of the information provided.
10. Cambria installation does not include any plumbing or electrical work.

Thank you for your purchase of Cambria™.
